

Curriculum Night 2022

FEBRUARY 15TH

RISING 6TH GRADE: 6:00 PM

RISING 7TH GRADE: 6:30 PM

RISING 8TH GRADE: 6:45 PM

Rising 6th, 7th, and 8th grade students and parents are invited to join us and learn more about class offerings and the registration process for the 2022-2023 school year.

Teachers, Administrators, and School Counselors will present grade level specific information about curriculum covered in academic subjects, high school credit course offerings and related arts course offerings.

Curriculum night will be presented virtually through Google Meet.

Google Meet links to each grade level presentation will be posted on the Northwood Website.

To make logging in to the Google Meet easier, we encourage you to log in using your child's GCS account on their school issued Chromebook.
